# TRAINING

## *Who will need the most training for the new URLA?*

- Originators: Will need the most training because they are completing and explaining the application to borrowers.
- Operations: Will need to know the location of the new fields and how they relate to their work flow & how to facilitate a complete application.
- Underwriters: Will need to complete or verify the majority of new fields for income/assets/employment verifications.
- Compliance: Need to be experts in understanding the changes & presenting to end users
- Pre & Post URLA workflows to accommodate transitional loans. (Similar to TRID & HMDA 2018)
